When there is a tie in total points of a Golden Wake Tour annual discipline ranking list, the tie shall be broken as follows:

(i) in favour of the competitor who has beaten the other in more events in the relevant discipline excluding all discarded events scores.

(ii) If a tie remains between two or more competitors, each competitor's event discipline scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the competitor(s) with the best score(s) excluding all discarded events scores.

(iii) If a tie still remains between two or more competitors, they shall be ranked in order of their scores in the last event. Any remaining ties shall be broken by using the tied competitors' scores in the next-to-last event results and so on until all ties are broken.

These scores shall be used even if some of them are excluded scores.
